NO. 276.

SUFFRAGIST HERE

MRS. WINTER SPOKE THIS AFTER-NOON AT BAPTIST CHURCH.

POLITICS AND THE HOME

That Will Be Her Theme at Court House Tonight for Especial Benefit of Them.

Mrs. Etta F. Winter of St. Joseph, state superintendent of purity of the W. C. T. U., and first vice president of the Federation of Women's Clubs of St. Joseph, addressed the women of Maryville this afternoon at the First Baptist church on the equal suffrage question, "Who Reaps the Wild Oats?"

Tonight she will speak at the court house, subject, "Politics and the Home."

Mrs. Winter is especially desirous of having all the men who can possibly attend to be present at the meeting tonight. She states that her subject will be of special interest to the men because of the fact that a great deal depends upon the interest taken by the men in the work, and that this meeting is being held principally to awaken the interest of the people of this community on the suffrage question, and to get the question before the American people at large.

Mrs. Winter states that the women only want to express their opinion where it will count, at the ballot box. The women are proud of such women as the president of the Missouri Federation, Mrs. Walter McNab Miller of Columbia, Mo., wife of Prof. Miller, who was responsible for the passage of the pure food and drug laws of the state.

Mrs. Winter is a graduate of Chicago university and has taught in the schools of Chicago, and is a well educated and influential speaker. She has been connected with religious and social work in many of the larger cities of this country, and is an ardent worker for the cause of equal suffrage for the women of this country, and through the efforts of the women like Mrs. Winter lies the natural solution of the question.

In her lecture this evening Mrs. Winter will endeavor to show how the politics of this country affect the women from the cradle to the grave.

To Fresco Walls.

The clean-up fever has hit the recorder's office in the court house, and Recorder J. Arthur Wray and his assistants will be found in the county clerk's office for the next few days. The paper on the walls is being removed and they will be painted and frescoed.

Mrs. Earl McKinney went to Kansas City Tuesday morning to visit the family of her uncle, Jack Middleton.

FIRST ONE TO FILE

W. G. SAWYERS FOR PROSECUTING ATTORNEY.

POLITICS WARMING UP

And All the Candidates Are Getting Started On Their Campaigns—To File Before June 4.

William G. Sawyers of this city filed with County Clerk George W. Demott this afternoon his declaration of intention as a candidate for the nomination of prosecuting attorney on the Democratic ticket, subject to the August primary. Mr. Sawyers was the first one to file. The other candidates for the various county offices have to file before June 4.

Mr. Sawyers is a graduate of the Missouri state university law department of the class of 1904. He was admitted to the bar by the supreme court in June, 1904, and also licensed in circuit court of the United States at St. Louis. After his graduation from the law school he began the practice of law in this city and has been very successful. Mr. Sawyers served as secretary of the Democratic county committee for four years, and also was a candidate for the nomination for prosecuting attorney on the Democratic ticket four years ago, and it showed that the civic pride of the citizens of Maryville was at its highest ebb.

Season tickets will be sold at the price of \$1 for all six games, and it is hoped that Maryville fans will take 200 of them while the Normal students are going to take 125, thereby giving the team a live and enthusiastic backing and assuring the manager that the financial loss, if any, will not be great.

Tuesday evening the Normal school will play a practice game with the Company F team. Company F has been practicing very hard and hope to take the Normal's scalp. This will be the first real test the Normal has had this season, and the game ought to prove real interesting. There will be no charge for this game, and everybody is invited to attend. Come out and see the Normal and Company F teams work. Rev. Finch will umpire. Game called promptly at 4:15.

Season tickets on sale at Reuillard's from Tuesday morning until Friday noon.

The Normal lineup for this afternoon's game is: Catcher, Lavel; first base, Dyer; second base, Noblett; third base, Bird; shortstop, McKee; left field, Miller; right field, Long; center field, Wilson; pitcher, Hamm, Long or Padgett.

A suit filed Monday in the circuit clerk's office was that of Larkin McMichael vs. Lettie McMichael for divorce. The petition alleges indignities. Charles E. Gibbons of Albany is the attorney for the plaintiff.

LECTURE FRIDAY NIGHT.

D. S. H. Clark of Chicago Lectures at First M. E. Church.

The last number of the lecture course of the Maryville Lyceum association will occur Friday night at the First M. E. church at 8 o'clock. Dr. S. H. Clark, dean of the school of public speaking of the University of Chicago, will give his lecture, "Les Misérables." This lecture was to have been given in February, but he was unable to fill the engagement at that time.

The lecture conflicts with the oratorical contest at the Normal Friday evening. An effort was made to change the date of the lecture or the contest, but the people in charge were unable to change them.

Visitors From St. Joseph.

Mrs. Lewis Allen and daughter of St. Joseph are guests at the home of Mr. and Mrs. E. B. Sheldon. The visitors will return to Burlington Junction Tuesday evening, where they are visiting relatives.

Mrs. Elizabeth Howland is visiting her son in Bolckow.

TICKETS READY WEDNESDAY.

Combination Tickets for Oratorical and Track Contests on Sale

Wednesday Evening.

H. P. Swinehart, manager of the oratorical and track contests to be held April 24 and 25, announced this morning that the combination tickets for these events will be put on sale Wednesday evening. All boys who wish to sell these tickets can get them at room 302 Normal building, between the hours of 3 p.m. and 5 p.m. These tickets are good for the oratorical contest Friday night, the elimination track events Saturday morning and track meet on Saturday afternoon.

BUSY ON CLEAN-UP.

Street Commissioner Woods Still Working—Will Probably Require Remainder of the Week.

Street Commissioner M. I. Woods stated this morning that the city was short of teams, there being only three crews at work on the clean-up proposition, and that it would probably require the remainder of the week to remove all of the rubbish that has been piled into the streets. The workmen will remove all of the rubbish closest to the public square and will work toward the city limits, so as to get the main streets of the city cleared away first. Mayor Wright states that everybody observed the day in first class style and removed all of the accumulations of the winter at the instance of the first call from the city, and that it showed that the civic pride of the citizens of Maryville was at its highest ebb.

DECORATE FOR TRACK MEET.

MERCHANTS SHOULD DISPLAY NORMAL COLORS, GREEN AND WHITE, DURING TRACK MEET THIS WEEK.

Friday and Saturday of this week will be track meet days in this city. All of the merchants expect to do a Herculean business, and everybody in general is preparing to take care of the visitors who will be here on those days.

The merchants should display the Normal colors, green and white, on those days in appreciation of the fact that the Normal school and the students are the direct promoters of this big event for Maryville.

Banners, flags, draperies, pennants, streamers, and in fact anything which would give the city a gala day appearance should be displayed to the visitors that they are welcome in the city.

The city officials have done their part by having all of the trash removed from the public places at their own expense, and what would prove nicer than to see the merchants show their appreciation of this fact by further beautifying the city by decorations of various kinds.

WORK TO BE FINISHED THIS WEEK.

The work of laying the new mains will be finished this week. The work in the southeast part of the city was completed last week and the gang of men are now working in the northeast part of the city. Over a mile of new mains were laid.

LEFT FOR ST. LOUIS.

Dr. Jesse Miller and Dr. E. C. Brantner left Monday night for St. Louis to attend the meeting of the Missouri State Dental association.

Announce Son's Birth.

Mr. and Mrs. Paul Fraser of Kansas City announce the birth of a son to them Sunday, April 19. He has been given the name Paul Gordon Fraser, Jr. Mr. Fraser is the son of Mr. and Mrs. Elmer Fraser of this city.

Sam H. Conlin of Barnard, who has been spending the winter in Los Angeles, Cal., writes to County Highway Engineer John Clary that he will return about May 1. Mr. Conlin says that he is having a good time there. He is a member of the county highway commission.

Mrs. Albert Enderlin of Seneca, Kan., who has been visiting Mr. and Mrs. Richard Kuchs and family, returned home Tuesday morning. She was accompanied as far as St. Joseph by Miss Katherine Kuchs and Miss Marie Reuillard.

Mrs. Peter Meyer and son and Mrs. Rose Meyer went to Clyde Tuesday to spend a few days with Mrs. Meyer's sister, Mrs. Leo Bliley.

Miss Roxie McGinnis went to Pickering Tuesday to visit her sister, Miss Bernice, who teaches in the schools of Pickering.

Mrs. Harry Culbertson went to Arkaway Monday evening to spend a few days with Mr. Culbertson on their farm near there.

Mrs. Harold Walker returned to her home in Kansas City Tuesday evening. She was called to Maryville last week by the death of her nephew, Fred Thompson.

THE SHERIDAN CASE

WENT TO THE JURY ABOUT PRESS TIME.

GUN FROM HEIMBURG

Sheridan Stated on Witness Stand That He Bought Gun from Him—Anderson Was Acquitted.

The case of the state vs. James Sheridan on charge of receiving a stolen shotgun, went to the jury a little before press time this afternoon, and the general opinion of those that have heard the case seem to be that Sheridan will be acquitted. Sheridan, on the witness stand testified that he bought the shotgun from "Dutch Charley" Heimburg, who was killed in Maryville a few weeks ago by Deputy Sheriff Gabe L. Purcell, and that he did not know that it was a stolen shotgun. Sheridan alleged that he paid \$15 for the gun. The shotgun that was sold to Sheridan, it is claimed, was stolen from the J. H. Traub hardware store at Rock Port, and it was suspected that Tom Casey was the guilty party, with probable assistance from "Dutch Charley." Casey was taken to Rock Port and later turned over to the authorities at St. Joseph, as they had a previous charge before the Atchison county authorities. The St. Joseph officers gave Casey to Creston, where he was wanted for burglary, and the authorities here have received word that Casey was sentenced to the state penitentiary in Iowa.

The jury that is hearing the Sheridan case is composed of Frank Wallace, F. M. Trusty, Frank Garrett, Arthur S. Robey, W. C. Pearson, James Colvin, J. R. Jones, J. S. Diss, Dan Anderson, Moher Worl, Jake Snodderly and Ezra Phipps. Mr. Sheridan is represented by Cook, Cummins & Dawson, the state by Prosecuting Attorney George Pat Wright and M. E. Ford.

SENATORS HALT MOVE ON HUERTA

Oppose Resolution Passed by House.

PROTEST NAMING HIM.

Substitute Agreed Upon by Foreign Relations Committee.

PLANS MADE TO LAND MARINES.

Vera Cruz and Tampico Customs Houses to Be Seized.

Washington, April 21.—Action by the army and navy of the United States to force General Huerta to salute the flag was held up early today through opposition in the senate to the form of the joint resolution approving President Wilson's purposes as it passed the house last night. A recess of the senate was taken.

The president, while in his message to congress stated that he had full constitutional authority to act, is waiting for congress to express its approval before ordering Tampico and Vera Cruz to be seized and other steps taken looking to reparation for the arrest of American bluejackets at Tampico.

In a spectacular midnight session the senate discussed the house resolution briefly. Senators objected to individual naming of Huerta and a substitute resolution was agreed upon by the foreign relations committee, giving the president broad authority to deal with indignities offered the United States in Mexico "in view of the situation as presented by the president in his message."

Presents Substitute.

Senator Lodge presented a substitute for the preamble of the resolution reported by the committee, which he will seek to have adopted.

It sets forth:

"That the state of unrest, violence and anarchy which exists in Mexico, the numerous unchecked and unpunished murders of American citizens and the spoliation of their property in that country, the impossibility of securing protection or redress by diplomatic methods in the absence of lawful or effective authority, the inability of Mexico to discharge its international obligations, the unprovoked insults and indignities inflicted upon the flag and the uniform of the United States by the armed forces in occupation of large parts of Mexican territory have become intolerable."

"That the self respect and dignity of the United States and the duty to protect its citizens and its international rights require that such a course be followed in Mexico by our government as to compel respect and observance of its rights."

Brought Out by Debate.

The debate in the house brought out the fact that while the American navy would probably block Mexico off from commerce with the United States, it would not interfere with the passage of foreign vessels, although cargoes discharged on the shore might be held at the customs houses if they were occupied by American forces.

The joint resolution passed by the house by a vote of 337 to 37, read as follows:

"A joint resolution justifying the employment of the armed forces of the United States in enforcing certain demands aginst Victoriano Huerta. Resolved, by the senate and house of representatives in congress assembled, that the president of the United States is justified in the employment of the armed forces of the United States to enforce the demands upon Victoriano Huerta for unequivocal amends to the government of the United States for affronts and indignities committed against this government by General Huerta and his representatives."

Plan to Land Marines.

Forty-eight hours, possibly less, the United States government will have taken possession of the Mexican customs houses at Tampico and Vera Cruz.

Detailed plans for landing of marines at these two important coast towns were completed at a conference at the White House between President Wilson, Secretaries Bryan, Garrison and Daniels, Major General Wood and Rear Admirals Fiske and Blue and John Lind.

After a spirited debate of more than two hours, the house passed the administration resolution approving President Wilson's purpose to use the armed forces of the nation to obtain from General Huerta the fullest recognition of the honor and dignity of the United States. The vote was 337 to 37.

STOMACH SUFFERERS! READ THIS

So many stomach sufferers have been benefited by a simple prescription of vegetable oils which cured a Chicago druggist of chronic stomach, liver and intestinal trouble of years' standing that we want you surely to try this remedy. It is known as May's Wonderful Stomach Remedy. One dose will convince you. It usually gives wonderful relief within 24 hours—even in the most stubborn cases. May's Wonderful Stomach Remedy is now sold here by Pearson's Pharmacy and druggists everywhere.

Action by the army and navy of the United States to force General Huerta to salute the flag was held up through opposition in the senate to the form of the joint resolution approving President Wilson's purpose as it passed the house. A recess of the senate was taken.

The battleships Virginia, Nebraska and Georgia of the third division of the Atlantic fleet were ordered to sail Friday from Boston for Tampico.

Merchant Ships Ordered Out.

Washington, April 21.—The navy department gave out this statement: "American merchant vessels have been ordered out of Vera Cruz harbor, in accordance with the president's instructions to consular officers to warn Americans to leave Mexico for their own safety."

Secretary Garrison announced that Major General Leonard Wood, chief of staff of the army, would command the American force should it finally be come necessary to use them.

The senate passed the volunteer army bill to take into the regular service militia regiments in time of war. The bill has already passed the house.

Huerta Soldiers Number 40,000.

Washington, April 21.—Estimates at the war department put the armed forces of the Huerta government in Mexico at about 40,000, well scattered throughout the country.

Conditions at Vera Cruz.

Vera Cruz, April 21.—No indication of disorder has been seen in the city.

It is still believed here that the precautions taken will not be followed by drastic action.

American women, acting on official suggestion, are going on board the boats in the harbor. Consul Canada is endeavoring to inform all of the foreigners of President Wilson's action. Under instructions from the department of state he is reminding them of a previous warning to withdraw from Mexico.

Orders to repeat these instructions to Tampico and Monterrey and to inform Tuxpan and Puerto Mexico have been received by the consul.

Commander Charles F. Hughes, chief of staff of the United States Atlantic fleet, called on General Gustavo Maas, commander of the federal troops at Vera Cruz, and on the commander of the port and instructed them to order all merchant vessels out of the harbor.

CLOSE WATCH ON PRISONERS

Outbreak Among Mexicans Interned at Fort Bliss Feared.

Fort Bliss, Tex., April 21.—Vigilance over the Mexican prison camp here was redoubled upon receipt of information hinting at the possibility of a plot to free the 6,000 former federal soldiers interned here. A deadline has been marked out inside the fence, beyond which the prisoners are not allowed to move.

It was learned that a man, upon whom habitual watch had been kept for months, had purchased a supply of wire clippers, which might be used to cut the barbed wire fence around the prison camp.

At intervals around the camp sentries, standing on elevated platforms with loaded rifles, are on guard and four rapid fire guns are ready for instant action in case of an outbreak. The prisoners have no weapons except the axes given them for chopping fire wood, a few building tools and a number of spades.

Badger's Fleet Nearing Tampico.

On Board United States Steamship Arkansas at Sea (By Wireless, via Key West), April 21.—With the port of Tampico not far off and the knowledge that President Huerta has refused to accede to the demand of the United States government, Rear Admiral Charles J. Badger, commander in chief of the Atlantic fleet, and the members of his staff were busy preparing a tentative plan of campaign. They gave attention to the details of a possible landing.

The crews of the battleships practiced with small arms and at sight of the big guns.

Aided by the favorable current and with a smooth sea the officers of the warships expect to be within easy distance of Tampico early tomorrow.

Will Send Brigade to Vera Cruz.

Houston, Tex., April 21.—The Second division of the United States army, here on a practice march, began a hurried movement back to Texas City and Galveston, on orders received from Washington.

The Fifth brigade of the division, consisting of about 5,000 men, was rushed aboard troop trains.

SUFFRAGIST HERE

MRS. WINTER SPOKE THIS AFTERNOON AT BAPTIST CHURCH.

POLITICS AND THE HOME

That Will Be Her Theme at Court House Tonight for Especial Benefit of Them.

Mrs. Etta F. Winter of St. Joseph, state superintendent of purity of the W. C. T. U., and first vice president of the Federation of Women's Clubs of St. Joseph, addressed the women of Maryville this afternoon at the First Baptist church on the equal suffrage question, "Who Reaps the Wild Oats?"

Tonight she will speak at the court house, subject, "Politics and the Home."

Mrs. Winter is especially desirous of having all the men who can possibly attend to be present at the meeting tonight. She states that her subject will be of special interest to the men because of the fact that a great deal depends upon the interest taken by the men in the work, and that this meeting is being held principally to awaken the interest of the people of this community on the suffrage question, and to get the question before the American people at large.

Mrs. Winter states that the women only want to express their opinion where it will count, at the ballot box. The women are proud of such women as the president of the Missouri Federation, Mrs. Walter McNab Miller of Columbia, Mo., wife of Prof. Miller, who was responsible for the passage of the pure food and drug laws of the state.

Mrs. Winter is a graduate of Chicago university and has taught in the schools of Chicago, and is a well educated and influential speaker. She has been connected with religious and social work in many of the larger cities of this country, and is an ardent worker for the cause of equal suffrage for the women of this country, and through the efforts of the women like Mrs. Winter lies the natural solution of the question.

In her lecture this evening Mrs. Winter will endeavor to show how the politics of this country affect the women from the cradle to the grave.

To Fresco Walls.

The clean-up fever has hit the recorder's office in the court house, and Recorder J. Arthur Wray and his assistants will be found in the county clerk's office for the next few days. The paper on the walls is being removed and they will be painted and frescoed.

Mrs. Earl McKinney went to Kansas City Tuesday morning to visit the family of her uncle, Jack Middleton.

FIRST ONE TO FILE

W. G. SAWYERS FOR PROSECUTING ATTORNEY.

POLITICS WARMING UP

And All the Candidates Are Getting Started On Their Campaigns—To File Before June 4.

William G. Sawyers of this city filed with County Clerk George W. Demott this afternoon his declaration of intention as a candidate for the nomination of prosecuting attorney on the Democratic ticket, subject to the August primary. Mr. Sawyers was the first one to file. The other candidates for the various county offices have to file before June 4.

Mr. Sawyers is a graduate of the Missouri state university law department of the class of 1904. He was admitted to the bar by the supreme court in June, 1904, and also licensed in circuit court of the United States at St. Louis. After his graduation from the law school he began the practice of law in this city and has been very successful. Mr. Sawyers served as secretary of the Democratic county committee for four years, and also was a candidate for the nomination for prosecuting attorney on the Democratic ticket four years ago, being defeated by Prosecuting Attorney George Pat Wright.

With a little over a month left before the filing time will be up, various men are being mentioned for county offices on the Democratic ticket. D. R. Baker of Skidmore and Alex Fraser of this city are after the recorder's office and are now making their canvass. Fred J. Yeomans for county clerk will have opposition in Frank Belin of this city. S. E. Browne of Hopkins and Jesse Robertson of Burlington Junction are in the race for probate judge. Henry Westfall and probably Eugene Rathbun will run for circuit clerk, and for prosecuting attorney, Mr. Sawyers will have opposition in Ellis G. Cook and Charley McCaffrey.

LECTURE FRIDAY NIGHT.

Dr. S. H. Clark of Chicago Lectures at First M. E. Church.

The last number of the lecture course of the Maryville Lyceum association will occur Friday night at the First M. E. church at 8 o'clock. Dr. S. H. Clark, dean of the school of public speaking of the University of Chicago, will give his lecture, "Les Misérables." This lecture was to have been given in February, but he was unable to fill the engagement at that time.

The lecture conflicts with the oratorical contest at the Normal Friday evening. An effort was made to change the date of the lecture or the contest, but the people in charge were unable to change them.

Visitors From St. Joseph.

Mrs. Lewis Allen and daughter of St. Joseph are guests at the home of Mr. and Mrs. E. B. Sheldon. The visitors will return to Burlington Junction Tuesday evening, where they are visiting relatives.

Mrs. Elizabeth Howland is visiting her son in Bolckow.

TICKETS READY WEDNESDAY.

Combination Tickets for Oratorical and Track Contests on Sale Wednesday Evening.

H. P. Swinehart, manager of the oratorical and tract contests to be held April 24 and 25, announced this morning that the combination tickets for these events will be put on sale Wednesday evening. All boys who wish to sell these tickets can get them at room 302 Normal building, between the hours of 3 p.m. and 5 p.m. These tickets are good for the oratorical contest Friday night, the elimination track events Saturday morning and track meet on Saturday afternoon.

BUSY ON CLEAN-UP.

Street Commissioner Woods Still Working—Will Probably Require Remainder of the Week.

Street Commissioner M. L. Woods stated this morning that the city was short of teams, there being only three crews at work on the clean-up proposition, and that it would probably require the remainder of the week to remove all of the rubbish that has been piled into the streets. The workmen will remove all of the rubbish closest to the public square and will work toward the city limits, so as to get the main streets of the city cleared away first. Mayor Wright states that everybody observed the day in first class style and removed all of the accumulations of the winter at the instance of the first call from the city, and that it showed that the civic pride of the citizens of Maryville was at its highest ebb.

DECORATE FOR TRACK MEET.

Merchants Should Display Normal Colors, Green and White, During Track Meet This Week.

Friday and Saturday of this week will be track meet days in this city. All of the merchants expect to do a Herculean business, and everybody in general is preparing to take care of the visitors who will be here on those days.

The merchants should display the Normal colors, green and white, on those days in appreciation of the fact that the Normal school and the students are the direct promoters of this big event for Maryville.

Banners, flags, draperies, pennants, streamers, and in fact anything which would give the city a gala day appearance should be displayed to the visitors that they are welcome in the city.

The city officials have done their part by having all of the trash removed from the public places at their own expense, and what would prove nicer than to see the merchants show their appreciation of this fact by further beautifying the city by decorations of various kinds.

Work to Be Finished This Week.

The work of laying the new mains will be finished this week. The work in the southeast part of the city was completed last week and the gang of men are now working in the northeast part of the city. Over a mile of new mains were laid.

Left for St. Louis.

THE SHERIDAN CASE

WENT TO THE JURY ABOUT PRESS TIME.

GUN FROM HEIMBURG

Sheridan Stated on Witness Stand That He Bought Gun from Him—Anderson Was Acquitted.

The case of the state vs. James Sheridan on charge of receiving a stolen shotgun, went to the jury a little before press time this afternoon, and the general opinion of those that have heard the case seem to be that Sheridan will be acquitted. Sheridan, on the witness stand testified that he bought the shotgun from "Dutch Charley" Heimburg, who was killed in Maryville a few weeks ago by Deputy Sheriff Gabe L. Purcell, and that he did not know that it was a stolen shotgun. Sheridan alleged that he paid \$15 for the gun. The shotgun that was sold to Sheridan, it is claimed, was stolen from the J. H. Traub hardware store at Rock Port, and it was suspected that Tom Casey was the guilty party, with probably assistance from "Dutch Charley." Casey was taken to Rock Port and later turned over to the authorities at St. Joseph, as they had a previous charge before the Atchison county authorities. The St. Joseph officers gave Casey to Creston, where he was wanted for burglary, and the authorities here have received word that Casey was sentenced to the state penitentiary in Iowa.

The jury that is hearing the Sheridan case is composed of Frank Wallace, F. M. Trusty, Frank Garrett, Arthur S. Robey, W. C. Pearson, James J. R. Jones, J. S. Diss, Dan Anderson, Moher Wrol, Jake Snodderly and Ezra Phipps. Mr. Sheridan is represented by Cook, Cummings & Dawson, the state by Prosecuting Attorney George Pat Wright and M. E. Ford.

The jury in the case of state vs. Ed Anderson, charged with gaming, returned a verdict of acquittal.

Circuit court will adjourn this afternoon, Judge W. C. Ellison will leave Wednesday evening for St. Joseph, where he will sit Thursday as a special judge in the case of the state vs. Dr. U. G. Crandell, who was indicted by the Buchanan county grand jury for oppression and misconduct as a member of the police commission of St. Joseph.

Had a Lovely Dinner.
The Highland school patrons and many of their friends gathered at the school house last Friday at noon and spread a great feast, for it was the school's closing day. The teacher, Miss Rose Shinabarger, has just closed her eighth year with this school, and so great is the confidence of the patrons in her work that she has been re-elected for the ninth year, and she has accepted. One of her pupils, Lawrence Charles, has made an extraordinary record, he has not been absent or tardy for three years. If he keeps up that record for promptness and faithfulness, we'll all sure hear from Lawrence Charles when he's a man. The pupils gave a nice program of songs, recitations, dialogues and original essays and everybody there was glad and happy. Among the visitors were Mr. and Mrs. R. B. Gex of Graham, Mrs. John M. Wilson and Mrs. H. S. Rowlett of Graham.

If Coffee Don't Agree

Much of today's nervousness, indigestion, languor, kidney and liver trouble, come from indiscretions in eating and drinking, so commonplace that they are seldom considered till Nature pulls one up with a sharp jerk.

More often than is suspected, coffee is the cause of these troubles.

A simple, easy way to discover the real cause and relieve one's self of a lot of discomfort is to quit coffee for ten days and try

SENATORS HALT MOVE ON HUERTA

Oppose Resolution Passed by House.

PROTEST NAMING HIM.

Substitute Agreed Upon by Foreign Relations Committee.

PLANS MADE TO LAND MARINES.

Vera Cruz and Tampico Customs Houses to Be Seized.

Washington, April 21.—Action by the army and navy of the United States to force General Huerta to salute the flag was held up through opposition in the senate to the form of the joint resolution approving President Wilson's purpose as it passed the house. A recess of the senate was taken.

The president, while in his message to congress stated that he had full constitutional authority to act, is waiting for congress to express its approval before ordering Tampico and Vera Cruz to be seized and other steps taken looking to reparation for the arrest of American bluejackets at Tampico.

In a spectacular midnight session the senate discussed the house resolution briefly. Senators objected to individual naming of Huerta and a substitute resolution was agreed upon by the foreign relations committee, giving the president broad authority to deal with indignities offered the United States in Mexico "in view of the situation as presented by the president in his message."

Presents Substitute.

Senator Lodge presented a substitute for the preamble of the resolution reported by the committee, which he will seek to have adopted.

It sets forth:

"That the state of unrest, violence and anarchy which exists in Mexico, the numerous unchecked and unpunished murders of American citizens and the spoliation of their property in that country, the impossibility of securing protection or redress by diplomatic methods in the absence of lawful or effective authority, the inability of Mexico to discharge its international obligations, the unprovoked insults and indignities inflicted upon the flag and the uniform of the United States by the armed forces in occupation of large parts of Mexican territory have become intolerable.

"That the self respect and dignity of the United States and the duty to protect its citizens and its international rights require that such a course be followed in Mexico by our government as to compel respect and observance of its rights."

Brought Out by Debate.

The debate in the house brought out the fact that while the American navy would probably block Mexico off from commerce with the United States, it would not interfere with the passage of foreign vessels, although cargoes discharged on the shore might be held at the customs houses if they were occupied by American forces.

The joint resolution passed by the house by a vote of 337 to 37, read as follows:

"A joint resolution justifying the employment of the armed forces of the United States in enforcing certain demands agaist Victoriano Huerta. Resolved, by the senate and house of representatives in congress assembled, that the president of the United States is justified in the employment of the armed forces of the United States to enforce the demands upon Victoriano Huerta for unequivocal amends to the government of the United States for affronts and indignities committed against this government by General Huerta and his representatives."

Plan to Land Marines.

Forty-eight hours, possibly less, the United States government will have taken possession of the Mexican customs houses at Tampico and Vera Cruz.

Detailed plans for landing of marines at these two important coast towns were completed at a conference at the White House between President Wilson, Secretaries Bryan, Garrison and Daniels, Major General Wood and Rear Admirals Fiske and Blue and Lind.

After a spirited debate of more than two hours, the house passed the administration resolution approving President Wilson's purpose to use the armed forces of the nation to obtain from General Huerta the fullest recognition of the honor and dignity of the United States. The vote was 337 to 37.

Action by the army and navy of the United States to force General Huerta to salute the flag was held up through opposition in the senate to the form of the joint resolution approving President Wilson's purpose as it passed the house. A recess of the senate was taken.

The battleships Virginia, Nebraska and Georgia of the third division of the Atlantic fleet were ordered to sail Friday from Boston for Tampico.

Merchant Ships Ordered Out.

Washington, April 21.—The navy department gave out this statement:

"American merchant vessels have been ordered out of Vera Cruz harbor, in accordance with the president's instructions to consular officers to warn Americans to leave Mexico for their own safety.

Secretary Garrison announced that Major General Leonard Wood, chief of staff of the army, would command the American force should it finally become necessary to use them.

The senate passed the volunteer army bill to take into the regular service militia regiments in time of war. The bill has already passed the house.

Huerta Soldiers Number 40,000.

Washington, April 21.—Estimates at the war department put the armed forces of the Huerta government in Mexico at about 40,000, well scattered throughout the country.

Orders to repeat these instructions to Tampico and Monterrey and to inform Tuxpan and Puerto Mexico have been received by the consul.

Commander Charles E. Hughes, chief of staff of the United States Atlantic fleet, called on General Gustavo Maas, commander of the federal troops at Vera Cruz, and on the commander of the port and instructed them to order all merchant vessels out of the harbor.

CLOSE WATCH ON PRISONERS

Outbreak Among Mexicans Interned at Fort Bliss Feared.

Fort Bliss, Tex., April 21.—Vigilance over the Mexican prison camp here was redoubled upon receipt of information hinting at the possibility of a plot to free the 6,000 former federal soldiers interned here. A deadline has been marked out inside the fence, beyond which the prisoners are not allowed to move.

It was learned that a man, upon whom habitual watch had been kept for months, had purchased a supply of wire clippers, which might be used to cut the barbed wire fence around the prison camp.

At intervals around the camp sentries, standing on elevated platforms with loaded rifles, are on guard and four rapid fireers are ready for instant action in case of an outbreak. The prisoners have no weapons except the axes given them for chopping firewood, a few building tools and a number of spades.

Conditions at Vera Cruz.

Vera Cruz, April 21.—No indication of disorder has been seen in the city. It is still believed here that the precautions taken will not be followed by drastic action.

American women, acting on official suggestion, are going on board the boats in the harbor. Consul Canada is endeavoring to inform all of the foreigners of President Wilson's action. Under instructions from the department of state he is reminding them of a previous warning to withdraw from Mexico.

Orders to repeat these instructions to Tampico and Monterrey and to inform Tuxpan and Puerto Mexico have been received by the consul.

Commander Charles E. Hughes, chief of staff of the United States Atlantic fleet, called on General Gustavo Maas, commander of the federal troops at Vera Cruz, and on the commander of the port and instructed them to order all merchant vessels out of the harbor.

It was learned that a man, upon whom habitual watch had been kept for months, had purchased a supply of wire clippers, which might be used to cut the barbed wire fence around the prison camp.

Aided by the favorable current and with a smooth sea the officers of the warships expect to be within easy distance of Tampico early tomorrow.
